No. DGVCL/F&A/FPPPA/08-09/06212

Date: 20th August, 2008

CIRCULAR

Sub: Rate of Fuel Price and Power Purchase Adjustment Charges (Fuel Surcharge) applicable on the consumption for the month of July 2008 to September 2008 and till further orders.

This has reference to earlier letter No. DGVCL/F&A/FPPPA/08-09/2647 dated 31.05.2008 to charge Fuel Surcharge @ 65 (Sixty five) Paise/Unit on the consumption for the period April to June 2008 & onwards till further communication in this regard.

GERC, vide Tariff Orders dated 31.03.2007, has shifted the base year from FY 2005-06 to base period April-06 to Dec-06 for FY 2007-08 FPPPA calculation. While shifting the base, GERC has frozen FPPPA at 12 Paise for the year 2006-07 over the base year 2005-06. As regards to further Incremental FPPPA based on power purchase and fuel consumption during the period Apr-08 to June-08 over 2006-07 base period is concerned, it works out to 72 (Eighty eight) Paise per Unit. Hence, total FPPPA of 84 Paise per Unit becomes recoverable.

The State Government has decided not to load entire additional burden of 19 Paise per Unit on consumers and therefore has decided to charge consumers only additional 10 Paise per Unit and remaining 9 Paise per Unit shall be borne by the State Government for which subsidy will be paid to GUVNL. Thus, Fuel Surcharge of 75 Paise per Unit will be charged to consumers w.e.f. 1st July 2008.

Therefore, you are requested to kindly charge FPPPA @ **75 Paise / Unit** for the period **July 2008 to September 2008 and till further orders.**

Recovery for the consumption for the month of July -08 shall be recovered with the energy bill for the consumption of August 2008.

This may be incorporated in the energy bills issued to the consumers as stated above. IT Department shall arrange programme for recovery and the same will be intimated by IT Department separately.

No Fuel Surcharge is to be recovered from Agricultural Consumers, since Government of Gujarat will give subsidy to Discoms on that account.
