CIRCULAR

Sub. :Introduction of New LTP-V agricultural tariff category Effective from 14th December 2009

The Gujarat Electricity Regulatory Commission (GERC) has issued Order on Annual Performance Review (APR) petition for FY 2008-09 and Tariff Review Proposal for FY 2009-10 on 14th December 2009. Neither Company has proposed nor has GERC revised tariff for any category of Consumers. New LTP -V agricultural tariff category was proposed for the purpose of lifting water from surface water sources such as Dam/Canal/River and supplying water directly to fields of the farmers. The same tariff category is approved by Hon'ble GERC effective from 14th December 2009.

RATE LTP-V

Applicable for supply of electricity to Low Tension Agricultural consumers contracting load upto 125 BHP requiring power supply for lifting water from surface water sources such as cannel, river & dam and supplying water directly to the field of farmers for agricultural irrigation only.

(a)	Fixed charges per month	Rs. 25/- per BHP
PLUS		
(b)	Energy charges For entire consumption during the month	160 Paise per Unit

Further, Rate - AG [AGRICULTURE] tariff category shall be applicable to motive power services used for irrigation purpose only excluding installations covered under LTP-V category.

GENERAL:

1. The meter charges shall be applicable as prescribed under 'GERC (Licensee's Power to Recover Expenditure incurred in providing supply and other Miscellaneous Charges) Regulations, 2005 as in force from time to time.
2. The Fuel Cost and Power Purchase Adjustment Charges shall be applicable in accordance with the Formula approved by the Gujarat Electricity Regulatory Commission from time to time.
3. Other general terms & conditions will be as applicable to other tariff categories.

You are requested to please give publicity of the above newly introduced Agriculture tariff category by placing it on your Notice Board.
